### WHITMAN ASKS **GOVERNOR TO HELP GET THAW BACK**

Glynn Hears That "Pernicious Influence" Is at Work to Evade the Law.

HINT MONEY WAS USED.

Attorney-General Asked to Order Grand Jury Inquiry in New York County.

Attorneys Whitman of New York and Conger of Dutchess County applied to Acting Governor Glynn to-day for the Attorney-General to intervene in the Thaw case to prevent miscarriage of justice in Dutchess County. It is aloged that pernicious outside influences have been used effectively in that county to prevent the Grand Jury from returning indictments against Than for conspiracy in connection with his escape Phore is intimation that Thew money has been so freely scattered around the
